

Different Perspectives

1. Choose one of the groups of verses below & **STUDY** them by identifying principles, looking up footnotes, finding conference quotes related to your verses, etc. (*Fill in verses from this week's reading.*)

Jacob 5:3–14

Jacob 5: 15-28

Jacob 5:29–49

Jacob 5:50-77

2. Next to your verses, write down the **principles** you learn about Jesus' Christ desire and power to redeem you and help you.

3. Make **connections** to your verses and apply the message about Jesus Christ that can help people with economic, spiritual or emotional challenges by answering the following questions that can help you think about this challenge from **DIFFERENT PERSPECTIVES**:

- What did you personally need to know and understand about Jesus Christ from these verses that helps you with your current situation?
- What do you want your peers who have struggled with challenges to know and understand about Jesus Christ from these verses?
- What do you want your peers with parents who are currently struggling with challenges know and understand about Jesus Christ from these verses?
- What do you want your peers who have struggled with challenges in the past, but aren't struggling now, know and understand about Jesus Christ from these chapters?

4. Share what you learned from today's learning experience.
